## New Review

## Submission

Untitled

## How did you meet your mentor

- 1) review the key points on the project and see what you know and what you need to know
- 2) make a list of people you know that are experts or can refer you to someone that may help you
- 3) approach them, explain what are you doing and why did you need their help
- 4) be grateful and give something in exchange or include them in the project if they want to
- 5) work hard to let them know you have interest in the project and their time is going to be usefull to you

## How many individuals did you approach before you found a mentor?

3
